

PALM BEACH COUNTY
SHERIFF'S OFFICE

RIC L. BRADSHAW, SHERIFF

The Palm Beach County Sheriff's Office has added new functionality to your supplier portal. **No action is required by you at this time.**

The new Sourcing section will allow the Palm Beach County Sheriff's Office to electronically transmit various negotiation tools such as RFPs, RFIs, and Bids.

Invitations to participate in any of these negotiations will be emailed to you, and displayed on your portal home page as shown on the next page. Instructions for responding will be provided to invited suppliers at that time.

Thank you for your continued support.
