## Deputies participate in the City of Belle Glade 2nd Annual Teen Summit

Deputies were invited to sit on the panel to speak about what PBSO is doing to help prevent crime and violence in the city. The citizens of Belle Glade responded that they really appreciate the PBSO presence and involvement in the city to help prevent crime. They also understand that they have to get more involved by working with PBSO to help fight crime in their neighborhood.

This event took place on February 25, 2017.

It is a well-known fact that bullying has escalated throughout the nation in recent years. In order to raise awareness and help students learn about bullying prevention, our PBSO/PAL Coordinator met with 1st and 2nd graders at Pioneer Park Elementary School in Belle Glade. It is important that our children can identify bullying, feel safe reporting it to an adult, and learn that it is not an acceptable behavior for anyone. Educating students at an early age about bullying and the effects it can have on children will help continue to raise awareness and stop bullying among our youth.

This event took place on March 2, 2017.

## Sheriff's Foundation News

PBCSF.org

The Palm Beach County Sheriff's Foundation (PBCSF) is pleased to announce the recipients of its 2017 Youth Scholarship Program. Ten Palm Beach County high school seniors, all of whom were nominated by a sworn employee of PBSO, received \$2,000 scholarships for their freshman year of college. Each scholarship is renewable for up to 4 years of college or trade school. This is the third year of our program, so after next year we will be distributing \$80,000 a year in scholarships!

## PBSO Deputy Goes Above & Beyond

The recipient of the Sheriff's Foundation Above & Beyond Award for February, 2017 is Deputy Ron Boiuso.

Deputy Boiuso was on a call checking on the welfare of some children. He found a single parent trying to take care of four kids, three of whom were disabled. He saw that there was no food in the

home and was worried the family would become homeless.

Deputy Boiuso took it upon himself to contact various business owners on his own time, and he told them about the situation. The next day, he and the business owners dug into their own pockets to buy the family groceries and cleaning supplies. They also hired an extermination company and bought the family a new refrigerator. Still not content, Deputy Boiuso got the family assistance from social services, and later helped them come up with a down payment for a nicer house.

As word of Deputy Boiuso's good work spread, he started to receive phone calls and offers of assistance from the community and his church. Knowing that there are many others in need, Deputy Boiuso started his own nonprofit organization to help disadvantaged people get food, clothing and shelter. The name of his nonprofit is Ministries Helping People in Need. The Sheriff's Foundation is pleased to have made a donation to this important charity.

**Meet Akim...** PBSO's newest patrol/narcotics detection K-9! He's a 15-month-old German Shepherd that was purchased by the Sheriff's Foundation. Please contact the Sheriff's Foundation if you would like to support the PBSO K-9 Unit.

## Sheriff's Foundation News

PBCSF.org

The recipients of the Sheriff's Foundation Above & Beyond Award for October, 2016 are Deputy Shariska Monroy and Deputy Ernest Lowmaster III.

Deputy Monroy and Deputy Lowmaster were called to check on a family in Lake Worth. What they found was a family that was constantly on the move because of a lack of resources. Besides the mother and father, there were three children, ages 8, 6 and 1.

The family's current residence had no running water and no furniture. There were a lot of bugs and the children slept in sleeping bags. Food consisted of cereal and peanut butter and jelly sandwiches.

The mother had a job and the father was actively looking for work. They had applied for aid, but help had not arrived yet. And to add insult to injury, the family was just told to vacate the residence they were living in.

Deputies Monroy and Lowmaster were so moved by the situation, they decided to pay over \$400 of their own money to get the family a hotel room so they wouldn't be living on the street. The deputies also took the time to visit the hotel to make sure the family was okay. The time in the hotel room bridged the gap until Adopt-A-Family could provide support.

Thanks to this selfless act of compassion, a local family was cared for during their time of need. Deputy Monroy and Deputy Lowmaster, the Sheriff's Foundation thanks you for going Above & Beyond!

It was a gorgeous 2016 Columbus Day at the Sheriff's Foundation's 5th Annual Sheriff's Scholars Golf Classic at The Wanderers Club in Wellington. We are very thankful to the 26 foursomes and numerous sponsors and volunteers who helped us raise thousands of dollars for the Sheriff's Foundation Youth Scholarship Program.

The key element of the program is that in order for disadvantaged students to receive a scholarship, they must be nominated by a PBCSO deputy. This encourages outreach from both law enforcement and youth, with the end product being more educated, respectful and productive members of society.

PBCSO Captain David Moss (third from left) and Rick Seymour, Chairman of the Sheriff's Foundation (second from left), accept a \$10,000 donation from ADT in honor of first responders at the FAU-Charlotte game on 10/9/16. Thank you ADT!!!

## Students Take behind the Scenes Tour of PBC Court House

The students from a local elementary school enjoyed a behind the scenes tour of the PBC courthouse with PBSO deputies and courthouse staff. The students learned a lot and gained a better understanding of law enforcement and the courts.

A Royal Palm Beach Brownie troop stopped by on their day off from school to say THANK YOU to PBSO deputies for making a positive difference in the lives of many.

The troop brought snacks from Jupiter Donuts and lots of Thank You cards.

## PBSO Department of Corrections Exceeds PREA Requirements

On December 12th - 15th 2016, the Palm Beach County Sheriff's Office Department of Corrections entered into one of the most difficult audits to date, PREA. The PREA (Prison Rape Elimination Act) was established in 2003 by then-President George W. Bush, which mandates the Department of Justice to establish standards addressing sexual assault/harassment in all correctional facilities. Auditing of prisons and jails around the country began in 2015. The compliance audit was conducted by retired PBSO Lieutenant Kathy Brown.

The purpose of the audit is to ensure compliance with all Department of Justice Standards for Prisons and Jails and provide an environment conducive to sexual safety for incarcerated individuals.

December 12th, Mrs. Brown met with Command Staff and agency department heads. Introductions were exchanged and expectations for the inspection were set forth. Mrs. Brown toured all housing units at the Main Detention Center to include Quartermaster, Laundry, In-House Court, Kitchen, Intake, Release Floor, Medical and West Infirmary.

December 13th, Mrs. Brown conducted interviews with random staff members and inmates as well as outside vendor, Victim Services for Palm Beach County.

December 14th, Mrs. Brown was escorted to the West Detention Center. Again there were introductions followed by a tour of all housing units which included Intake, Quartermaster, Laundry, Kitchen, Medical and Infirmary. Random interviews were conducted of staff and inmates.

On the fourth day, December 15th, Mrs. Brown met with Command Staff and department heads at the Main Detention Center for an Exit Meeting. Mrs. Brown commended the staff on their professionalism and hospitality. There were no noted violations. The inmates were forthcoming with information and the information provided by staff was similar. The Corrections

Divisions are pleased to announce that not only did we pass the audit with 100%, we exceed PREA requirements in three separate categories (First Responders, Education for Inmates and Education for Staff). It should be noted only 17 jails within the State of Florida are PREA Compliant.

Congratulations to everyone involved.

## Students Celebrate Dr. Seuss' Birthday

In celebration of Dr. Seuss' birthday, a PBSO deputy assigned to the City of Lake Worth was invited to read the book *Green Eggs and Ham* to the VPK class at Highland Elementary. At the conclusion of the reading, the students participated in a Junior Deputy swearing-in session and were given a safety coloring book, pencils and crayons.

A total of 15 children attended the reading session. This event was held on March 3, 2017.

## Sheriff Bradshaw meets with President Trump, opens the door for continued dialogue on important issues affecting our community

Sheriff Bradshaw had the honor to meet with President Trump to discuss Homeland Security issues. As Chairman of Regional Domestic Security for South Florida, Sheriff Bradshaw appreciates having the support of the President for law enforcement and border security. He thanked the President for taking time to listen to local law enforcement's concerns and for his commitment to an ongoing dialogue which will ensure the opportunity to address other issues such as reimbursement for Presidential visits. Keeping our community safe and secure is always Sheriff Bradshaw's first and foremost concern. This meeting took place on February 20, 2017.

Members of the PBSO Corrections Division met with high school juniors and seniors from various schools in Palm Beach County at the Palm Beach County Convention Center where they were a part of The Claim Your FUTURE Showcase. The goal was to encourage students to continue their education and to consider joining PBSO as a career choice. Students asked lots of questions which were answered by our panel. This was the first year the Public Safety Division was included with various businesses and other organizations throughout Palm Beach County. We are certainly looking forward to representing PBSO next year.

This event occurred on February 7, 2017
