Dear Supplier:

As part of our continuing efforts to efficiently process our supplier payments and lower our processing costs, The Palm Beach County Sheriff Offices is mandating that all payments be made via Automated Clearing House or ACH. This will enable the Sheriff's Office to transfer funds directly to your bank account.

To enroll in the program, please complete the ACH enrollment form.

You will be notified prior to receiving ACH payments.

Should you have any questions, please contact the Purchasing Department by phone or e-mail.

Thank you.
