

Safe OHV Operation

Our goal is to encourage safe and responsible OHV operation. Through education and compliance of state and local OHV laws, we hope to prevent injuries and preserve OHV riding areas.

OHV's are not toys. Serious injury can result from improper use of OHV's, but with preparation and practice, OHV's can be an enjoyable form of outdoor recreation. **Children under the age of 16 are required by law to wear a helmet and eye protection. They must also complete a state approved ATV safety course when riding on public land.**

For more safety information, visit the ATV Safety Institute website: www.atvsafety.org

Off-Highway Vehicles in Palm Beach County

The purpose of this brochure is to provide information about the use of *Off Highway Vehicles* (OHV) in Palm Beach County.

OHV's include, but are not limited to, Motorized All-Terrain-Vehicles (ATV), Off-Road/Motocross style Motorcycles, Non-Street Legal Golf Carts and Wheel Buggies.

Florida State Statutes prohibit the operation of OHV's on public roadways. A new law enacted on October 1, 2006, FSS 316.2123(1) allows ATV's on unpaved roadways in participating counties. Palm Beach County voted to opt out of this law on February 27, 2007.

Palm Beach County Ordinance 2007-002, *ATV Operation On Unpaved Roadways*, was enacted on March 6, 2007. This ordinance prohibits the operation of ATV's during anytime of the day or night on an unpaved roadway within the county. Violations are punishable by a fine of \$500.00 dollars.

Currently in Palm Beach County, OHV's can only be operated on private property you own or have permission to be on. They can also be operated in **certain** Wildlife Management areas.
