EXPLORER PROGRAM

WHAT IS EXPLORING

The Palm Beach County Sheriff's Office Explorer program is chartered through "Learning for Life", which is an entity of the Boy Scouts of America. Our Explorer program is a young adult career education program for young men and women who are 14 years old and have graduated from eighth grade, or are 15 through 20 years of age (10-14 for Junior Explorers), who are interested in law enforcement training, community service and recreation programs. This program is an action-oriented, hands-on career discovery program. When you become a member, we hope to broaden your outlook into law enforcement as a career.

TRAINING

An Explorer has the opportunity to learn first-hand about various aspects of law enforcement. They are required to complete a basic academy. The subjects include:

- Crime Scene Investigation
- Traffic Control
- Honor - Color Guard
- Crime Prevention
- Fingerprinting
- Physical Training
- Firearm Safety
- Patrol Procedures
- Arrest Techniques
- Traffic Stops
- First Aid
- Accident Investigation

COMMUNITY INVOLVEMENT

Explorers participate in numerous community service events throughout Palm Beach County. They assist with traffic control, bicycle rodeos, fingerprinting small children and many other activities.

ACTIVITIES

The Sheriff's Office Explorers meet weekly. They also attend the Florida Sheriff's Explorer Association Delegates Meetings where they compete in events such as traffic stops, accident investigations, crime prevention and pistol competitions.
