PALM BEACH COUNTY STUDENT PROTECT

StudentProtect Alert Button

To Make an Emergency Call

Press the Red Alert Button and release it after 2 seconds. A pop-up will appear asking you to confirm your call. Tap Call to initiate, a 911 call will commence AND your GPS location will be provided to the campus police.

For Alert Protection While Walking to/from a Location

Hold the Call button down until you safely reach your location. If you release the Call button, a 911 call will commence AND your GPS location will be provided to the campus police. To cancel, slide your finger down from the Call button.

0

01.

Instant 911 calls that send law enforcement your exact location for help .

In an emergency, users can instantly initiate a call to 911 that simultaneously sends their exact GPS location for law enforcement and first responders.

Suspicious activity relating to terrorism may also be submitted by calling the Terrorism Hotline at 800-429-0006
