Upon admission to a housing unit from Intake, inmates will be issued a toothbrush, toothpaste, soap and shower slides. You may request an indigent kit from our canteen provider by completing the indigent section of a canteen request form fourteen (14) days after Intake and every week thereafter. Original correspondence and its envelope will be photocopied and shredded in your presence. You will receive photocopies of the original correspondence and its envelope.

Outgoing privileged mail shall not be opened, but may be held for a reasonable period of time, not to exceed seventy-two (72) hours, pending verification that it is properly addressed to a person or agency referred to on the envelope.

D-3. NOTARY SERVICES

Notary services are available to you from the sergeant assigned to your area. Requests should be made utilizing the Inmate Request Form.

D-4. GRIEVANCE PROCEDURES

If you have a complaint, bring it to the attention of the deputy assigned to your unit. If the deputy cannot resolve the problem, then bring it to the attention of the sergeant or lieutenant on rounds. If these steps have been attempted but cannot resolve the problem, there is a grievance procedure in the facility to address inmate complaints. You may obtain a grievance form from the deputy assigned to your unit.

Upon receipt of the grievance form, complete the narrative with a description of your complaint. Specify the problem, the date of occurrence and staff members involved (if applicable). Also, include any staff members you may have contacted in an effort to resolve the problem. Submit your complaint within seven (7) days from the date of the incident, unless it was not feasible within that time period. You will be provided with a response to your complaint within fifteen (15) days. The response will be based upon the facts, which pertain specifically to the complaint. Inmate grievances will not be processed if they are determined to be: 1) frivolous 2) excessive or repetitive in nature 3) previously answered or 4) improperly completed form.

If you are dissatisfied with the response, you may appeal to a division commander within five (5) days of receiving your response. The division commander will have seven (7) days in which to respond to your appeal. If you are not satisfied with the commander's decision, you may appeal to the major within five (5) days of receipt of the division commander's response. The major's decision is final. Facility officials may extend the response time for grievances requiring extensive research and documentation.

There is no imposed time limit when you may submit a grievance regarding an allegation of sexual abuse. You may submit a grievance without submitting it to a staff member who is the subject of the complaint and such grievance is not referred to a staff member who is the subject of the complaint.

PBSO shall issue a final decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance. Computation of the 90 day time period shall not include time consumed by you in preparing any administrative appeal. PBSO may claim an extension of time to respond, up to 70 days.

At any level of the administrative process, including the final level, if you do not receive a response within the time allotted for reply, including any properly noticed extension, you may consider the absence of a response to be a denial at that level.

Third parties, including fellow inmates, staff members, family members, attorneys and outside advocates shall be permitted to assist you in filing requests for administrative remedies relating to allegations of sexual abuse and shall also be permitted to file such requests on your behalf.

A grievance alleging that you are subject to a substantial risk of imminent sexual abuse may be filed at any time of the day or night (24 hours a day - 7 days a week). PBSO shall address immediately..

PBSO may discipline you for filing a grievance related to alleged sexual abuse only where the agency demonstrates that you filed the grievance in bad faith.

D-5. RESTORATION OF CIVIL RIGHTS

Florida voters passed Voter Restoration, Amendment 4, on November 6, 2018. The ballot summary stated, "This amendment restores the voting rights of Floridians with felony convictions after they complete all terms of their sentence, including parole or probation. The amendment does not apply to those convicted of murder or felony sexual offenses, who continue to be permanently barred from voting unless the Governor and Cabinet vote to restore their voting rights on a case by case basis."

It is the voter's responsibility to confirm whether or not their voting rights have been automatically restored. The following Florida agencies have resources to assist applicants in verifying sentencing obligations:

E. SECURITY AND CONTROL

E-1. CLASSIFICATION

During the admission process, a classification officer interviewed you. This interview enabled our department to determine the best suitable housing and program needs for you at that time. At any time should your perception of vulnerability change for any reason and you no longer feel safe in your present housing location, please notify your dorm officer immediately.

E-2. IDENTIFICATION WRISTBAND

An inmate identification band was placed on your person when you arrived at the facility. This identification band will have your name, photograph, sex, race and jacket number on it. Any inmate found without a wristband will not be allowed to participate in any programs and is subject to disciplinary or administrative action until their identity can be verified and wristband replaced. A reasonable fee will be charged to inmates for a replacement wristband if the previously issued wristband has been lost or there has been a disciplinary finding that it was intentionally tampered with by the inmate.

E-3. HEADCOUNTS

Headcounts will be conducted when deemed necessary by the deputy in charge. All inmates will follow the direction of the deputy. You will present your wristband when

ordered to do so. During headcounts, there will be no talking unless spoken to. The lights will be turned on and the television will be turned off. Failure to cooperate will be cause for disciplinary action.

E-4. CONTRABAND

Contraband is any article not authorized by the facility or which has been altered from its original form. Items found in excess of the approved amount are also considered contraband. Disciplinary action and/or criminal prosecution shall be taken if you violate this provision. All contraband items will be confiscated and properly disposed of. Contraband money will be handled in the same manner as any other contraband found on an inmate. An evidence receipt will be completed and turned over to the jail investigator for proper criminal charges and disposition.

Any cellular telephone or other portable electronic communication devices are considered contraband when possessed within or introduced into any Palm Beach County Sheriff's Office detention facility.

E-5. SEARCHES

The control of weapons and contraband in a facility is an essential measure. Unannounced searches of inmates, their quarters and other areas of the facility are conducted as often as necessary to ensure the safety and security of the staff, inmates and facility.

Searches shall be conducted in a manner that will avoid unnecessary force, embarrassment or loss of dignity to the inmate.

E-6. CANINE UNIT

The Palm Beach County Sheriff's Office Department of Corrections operates a canine unit in both correctional facilities. In accordance with Florida State Statutes, any person who intentionally or knowingly maliciously harasses, teases, interferes with or attempts to interfere with a police dog, while the animal is in the performance of its duties, commits a crime punishable by law.

E-7. DIRECT SUPERVISION HOUSING

Direct supervision is wherein the deputy's post is maintained within the open population of the housing area. The most important factor in determining which inmate will be housed in these units will be their institutional behavior. Upon being housed in a direct supervision unit, you will be oriented on the rules of direct supervision. If you choose not to abide by these rules, you will be removed from the direct supervision unit and reassigned. Depending on the rule violation, disciplinary action may be taken against you. Remember that you are responsible for your behavior and actions. The unit deputy may institute informal discipline. This informal discipline includes the authority to require you to remain in your individual sleeping area for up to no more than two (2) hours. The informal discipline shall not include restrictions in food, clothing or visiting. Listed below are the Rules and Regulations for cleanliness, sanitation and hygiene within the direct supervision units:

- Your bed must be neatly made up in the military style (sheet and blanket edges tucked under the mattress) whenever you are not using it.

- Showers are limited to a maximum of fifteen (15) minutes. Leave the shower area clean and neat. Showers are normally allowed from 8:00 am to 10:45 pm., except during meals, cleaning times, lock downs and counts. Bathe and clean yourself daily.
- Keep your living area neat and clean at all times. Inspections may occur at any time.
- Mattresses, blankets, sheets and pillows are not allowed away from your bunk or room. Extra bedding items are not allowed unless authorized.
- Store your clothes under your mattress, pillow, or in your storage container; do not hang them off your bunk or leave them loose on the floor.
- Store your canteen in your storage container.
- Wring out your towel and either hang it from your room's clothing hooks (if applicable), or fold it in half and hang it from the foot of your bunk to dry.

E-8. SPECIAL MANAGEMENT HOUSING

Special management housing incorporates administrative and disciplinary confinement, protective custody and mental health isolation. While housed in a special management unit, you shall have the opportunity to access the following, unless restricted by the disciplinary process:

- Visitation, unless there are substantial reasons for withholding such privileges
- Restraints may be required when deemed necessary
- Write or receive letters on the same basis as inmates in general population

F. EMERGENCY PROCEDURES

F-1. FIRE SAFETY

Fire safety is one of our department's greatest concerns. Furnishings that are in your housing unit are made with materials that are fire retardant (mattress/pillow). Smoke detectors, fire alarms, fire extinguishers and fire hoses are located throughout the facility in the event an emergency situation exists. Tampering with a fire safety device could result in criminal prosecution.

F-2. EVACUATION DRILLS

Periodically, fire drills will be conducted in your housing area. These drills are conducted to ensure the safety of you and staff in case of a real emergency. During the times of evacuation, listen to the instructions given to you by the deputy. Be calm and quiet so as to evacuate in a timely and safe manner.

F-3. NO SMOKING POLICY

All department facilities are designated SMOKE FREE in accordance with the Florida Clean Indoor Air Act. If you have any tobacco and/or smoking paraphernalia in your possession, it is considered contraband and disciplinary action will be taken against you.

G. PROGRAMS AND SERVICES

G-1. INMATE REQUEST FORMS

The Inmate Request form provides you with a means of communication with the various sections of the administration. Medical request forms are on 3-ply paper with the colors of white, pink and yellow. Upon completion of a Medical Request Form, you must give your request directly to the health care provider during medical rounds.

G-2. INMATES WITH DISABILITIES

Inmates with disabilities are afforded access or an alternative access, to all programs and services provided to the general inmate population. If you have a disability and find it

difficult to have access to any of these programs and services, submit an Inmate Request Form to the appropriate supervisors and advise them of the access problems you encountered. If the problems you encounter cannot be eliminated, we will find an alternative accommodation to ensure you have access to these programs and services.

G-3. MEDICAL, DENTAL AND MENTAL HEALTH SERVICES

A contracted health care provider provides the Sheriff's Office medical services. Nurses are on duty twenty-four (24) hours a day, seven (7) days a week at each facility.

The nurses make rounds daily to dispense medication. Medication must be taken in the presence of the nurse. When the nurse calls you for medication, you must present yourself properly attired. Disciplinary action will be taken against those inmates who do not wear the proper attire when the nurse is present.

You may request medical and dental attention by submitting a Sick Call Request Form. Only the medical staff will collect these forms. Do not give them to the deputy. Emergencies should be brought to the attention of the staff member assigned to your unit.

Fees for medical services: All inmates will be required to pay for certain self-initiated, non-referred (by a healthcare professional) and non-emergency care and treatment. The following services will continue to be provided free of charge:

- Intake and intrasystem health screenings
- Medical histories and physicals
- Chronic illness
- Mental health services
- Referred illness and follow-up care
- Medical emergencies (as determined by medical staff)

The fee schedule is: (See posted charges)

- Nurse clinic
- Medical Clinic
- Dental Clinic
- Prescriptions related to above (with the exception of chronic illness)
- Transportation to your own doctor upon approval
- Reading glasses (also available through commissary)

If you are seen at the nurse's clinic and then referred to the medical or dental clinic, you will be charged as posted. No inmate will be denied medical care because of insufficient funds.

In very rare and unusual circumstances, approval may be granted to visit your own doctor. You must have the money for the transportation fee in your commissary account prior to the appointment. This money is for transportation only and does not include fees for the medical services rendered by your doctor.

You will not be charged for follow-up care related to these visits except for additional transportation and associated medical cost for your own doctor. You will have to sign a payment agreement before the medical service is rendered.

You have the right to refuse medical care and treatment. Such refusal must be made directly to the medical staff. You will be escorted to the facility’s medical department where you must refuse to the medical staff. You cannot refuse medical care to a deputy and refusal to go to the medical unit will result in disciplinary action.

Mental health services are available to you. As with medical and dental services, you may request mental health services by submitting a Medical Request Form, speaking with the nurse on rounds, or if the need is urgent, by speaking to the deputy in your unit.

Suicide Prevention Warning Signs:

Sometimes there are warning signs. Unfortunately, sometimes there are no obvious signs displayed by a person with the intent of killing him or herself. However, we still need to be aware of the possibility. Here are a few warning signs to be aware of:

Keeping Watch:

Everyone should be on the lookout for their fellow inmate or detainee at all times. Please note that the holidays can be a trigger for suicidal thoughts in some persons.

If you feel that someone is suicidal, immediately report this observation to the nearest deputy or medical/mental health staff member.

Suicidal Thoughts:

If “YOU” are having suicidal thoughts, please remember:

- Ask for help. Counseling is available, as well as other medical interventions. TALK TO THE UNIT DEPUTY, MEDICAL OR MENTAL HEALTH PROVIDER.

You will not be permitted to take anything from your housing unit to visitation. Visitors will control their children or the visit will be terminated.

If a visitor does not show up for three (3) scheduled visits in a thirty (30) day period of time, they will be restricted from visiting for two weeks.

You will immediately return to your housing unit when instructed to do so by a deputy or other PBSO employee. Any violation of the rules and regulations of the facility or behavior, which disrupts the duties of staff assigned to recreation or other staff members will result in your recreation period being terminated and disciplinary actions taken.

During recreation, you must not attempt to contact or communicate with persons outside of your assigned recreation area through shouting, hand signals and/or obscene gestures. This will be cause for termination of the recreation period and possible disciplinary action against you. Inclement weather may restrict whether or not outside recreation will be offered at the scheduled time.

The phones may be used for collect calls and the recipient of the call will be billed for each fifteen (15) minute call. Calls to cell phones are not guaranteed. Applicable phone fees will be charged for each phone call. TDD (Telecommunication Device for the Deaf) phones are available at each of the detention facilities for use by any inmate with a hearing impairment. Any abuse of phone privileges will cause the phones to be removed and/or charges filed against you. Facility commanders will be responsible for setting the times that telephones will be available for inmate use. The time schedule should include the opportunity for both day and evening use.

For the purpose of preserving security and orderly management of the facilities, and to protect the public, inmate telephone calls are subject to monitoring and recording.

The television set located in each dayroom is placed there for your education and entertainment and is a privilege. There will be no tampering with the television or the cable. Any indication of tampering shall cause the removal of the television from the housing unit and possible disciplinary charges placed against you. The deputy assigned to your area will operate remote-control television sets. A majority vote by the inmates shall determine which channel will be viewed. The volume level will be maintained at a normal level, so as not to interfere with other inmates or the operation of the facility.

During the taking of headcounts, the television will be turned off to allow the deputy the opportunity to obtain an accurate count. Any inmates not cooperating during the taking of headcount will lose their television privileges and will be subject to a disciplinary hearing.

Television Restrictions: Televisions will be shut off between the hours of 11:00 pm and 6:00 am seven (7) days a week.

G-11. CANTEEN

You must verify your order in the presence of the canteen representative. Any complaints for incomplete orders will not be considered after you have walked away from the canteen representative. The back order of any substitutions will be returned to you by the end of the week.

Every inmate must create and enroll a personal 10-digit security code using the Phone-It-In commissary service. Commissary orders will not be processed until a successful enrollment process is complete.

If you are unable to enroll your personal 10-digit security code, you must immediately notify the housing unit deputy to coordinate your re-enrollment process.

A civilian Palm Beach County Sheriff's Office law library staff person will process the information and forward it back to you.

Each inmate shall be provided reasonable and meaningful access to legal material. All law library requests are for his/her use only. Law books are also located in all housing units/control rooms. The investigation shall begin within twenty-four (24) hours from when the violation is reported and will be completed without unreasonable delay, unless there are exceptional circumstances for delaying the investigation.
2. An inmate charged with a rule violation shall receive a written statement of the charges (a copy of the Disciplinary Report), including a description of the incident and specific rule violated by the investigating officer. The inmate is given

the statement at the same time that the disciplinary report is filed with the disciplinary committee but no less than twenty-four (24) hours prior to the disciplinary hearing. Notifications shall be made in the report with reasons for declining to call requested witnesses or for restricting any information.

Any disciplinary action (except loss of gain time) being imposed with any other disciplinary action should be clearly stated in the disciplinary report as to the concurrent or consecutive requirements. If the disciplinary team or hearing officer does not specifically state concurrent or consecutive requirements, the disciplinary action shall be considered consecutive. Loss of gain time shall not be concurrent with any other loss of gain time and shall be cumulative.
10. If the inmate is found guilty, the disciplinary committee or hearing officer shall impose any one or a combination of the following actions:
- a. Restriction from and/or alternative access to, recreation, visiting, religious services, non-attorney related telephones privileges and/or law library for a period not to exceed sixty (60) days. I. SEXUAL ASSAULT AWARENESS

I-1. SEXUAL ASSAULT

Under the 2003 Prison Rape Elimination Act (PREA), the Palm Beach County Sheriff's Office Department of Corrections is committed to emphasizing a zero tolerance of the sexual abuse/harassment of inmates, either by staff or other prisoners. All reports of sexual abuse/harassment are investigated promptly and offenders will be prosecuted. The commander of Standards and Staff Development is designated as the PREA Coordinator.

Sexual abuse is a nonconsensual coerced act implied by threat or violence. It is contact between the mouth and the penis, vulva or anus, penetration of the anal or genital opening of another person, however slight, by a hand, finger or object or other instrument. It is also intentional touching, either directly or through clothing, of the genitals, anus, groin, inner thigh or buttocks of another person, excluding incidental to a physical altercation. This does not include a bona fide act for medical purposes.

Sexual assault/harassment affects everyone, either directly or through the experiences of those we care about. It is not only a women’s issue, as it can affect persons of any gender, age, race ethnic group, socioeconomic status, sexual orientation or disability.

PBSO will use information you gave at the time of your booking to assist us in assigning safe housing. Our goal is to keep separate those inmates at risk of being sexually victimized from those who are high risk for being sexually abusive. Placement and programming assignments for each lesbian, gay, bi-sexual, transgender, intersex (LGBTI) or gender non-conforming inmate will be considered on a case-by-case basis. All LGBTI inmates’ own views with respect to his or her own safety shall be given serious consideration.

I-2. SEXUAL ASSAULT AVOIDANCE

The only way a sexual assault can be prevented is when a potential rapist chooses NOT to rape. However, you may avoid an attack by keeping the following guidelines in mind:

- Be aware of situations that make you feel uncomfortable. Trust your instincts. If it feels wrong, **LEAVE**.
- Don’t let your manners get in the way of keeping yourself safe. Don’t be afraid to say, **“NO”** or **“STOP IT NOW”**.
- Walk and stand with confidence. Many aggressors choose victims who look like they won’t fight back or are emotionally weak.
- Avoid talking about sex and casual nudity. These things may be considered a come-on or make another inmate believe that you have an interest in a sexual relationship.
- Do not accept commissary items or other gifts from other inmates. Placing yourself in debt to another inmate can lead to the expectation of repaying the debt with sexual favors.
- Avoid secluded areas. Position yourself in plain view of staff members. If you are being pressured for sex, report it to any staff member immediately.

I-3. WHAT TO DO IF YOU ARE SEXUALLY ASSAULTED

- Get to a safe place. **IMMEDIATELY REPORT THE ATTACK TO ANY STAFF MEMBER.**
- The agency prohibits disciplinary action for a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred, even if an investigation does not establish evidence sufficient to substantiate the allegation.
- The longer you wait to report the attack the more difficult it is to obtain the evidence necessary for a criminal and/or administrative investigation.

- You may have serious injuries that you are not aware of and any sexual contact can expose you to sexually transmitted diseases. You will receive prompt medical attention.
- Do not eat, drink, change clothes, wash, bathe, shower, rinse your mouth, brush your teeth, urinate or defecate until examined by a forensic specialist. Any of these may destroy important evidence.
- If you are a victim or witnessed an attack, but you yourself are unwilling to report it to a staff member you may give the information to:
 1. A Clergyman
 2. Your attorney or public defender
 3. Any medical or mental health staff
 Or you may submit:
 1. An inmate request slip or written correspondence
 2. A grievance
 You may also call the 24 hour Rape Crisis Hotline at no charge on the inmate phone system by first selecting the correct language, then pressing the ‘collect’ prompt and last by dialing 7777, which will directly connect to them.
- You will receive a forensic exam and be assigned a victim rights counselor.
- You will receive follow-up medical and mental health care while in custody. You may also request to see a mental health provider at any time you feel necessary.
- There is no fee associated with care provided for this alleged assault.

I-4. FACTS FOR THE INMATE THAT SEXUALLY ASSAULTS OTHER INMATES

- You will be criminally charged under Florida Law. You will be issued a disciplinary report. If found guilty, sanctions will be harsh.
- Your supervision level will be reviewed and likely increased, which could mean a transfer to a higher security level or unit with significantly less freedom of movement and limited privileges.
- Your facility history and housing adjustments will remain on record and will influence any future housing assignments at a PBSO facility.
- If you have family, how will this affect them and/or how will it affect their ability to visit you?

I-5. IF YOU HAVE TROUBLE CONTROLLING YOUR ACTIONS

- Seek help from mental health staff.
- Consider participating in programs designed to control anger or reduce stress.

I-6. TO REDUCE IMMEDIATE FEELING OR ANGER OR AGGRESSION

- Seek help from the Mental Health or Religious Staff.
- Try talking to or writing a friend.
- Meditate or do breathing exercises to relax.
- Work on a hobby or engage in some type of exercise.

I-7. DID YOU KNOW

- Rape and sexual assault happens to females and males of all ages, from infancy to the senior years.
- Ninety-eight percent (98%) of males who have raped boys reported they are heterosexual. Most males who assault men or women are married or report having girlfriends.
- Sexual assault has nothing to do with the victim's present or future sexual orientation. Victims may be either heterosexual or homosexual.
- A survivor is not at fault for the rape, even if she/he was in a secluded area or had previous consensual sex with the attacker.
- The fact a male victim of sexual assault ejaculated or became sexually aroused does not mean they were not raped or that they gave consent. These are normal, involuntary physiological reactions.
- It is common for survivors of sexual assault to have feelings of embarrassment, anger, guilt, panic, depression and fear even several months or years after the attack. Other common reactions include loss of appetite, nausea or stomachaches, headaches, loss of memory and/or trouble concentrating and changes in sleep patterns.

J. LIMITED ENGLISH PROFICIENCY

J-1. LIMITED ENGLISH PROFICIENT (LEP) POLICY

The Palm Beach County Sheriff's Office Department of Corrections (PBSO DOC) provides limited English proficient (LEP) inmates (including detainees) and members of the public (including LEP parents of minors being held by the DOC) with meaningful access to important information, rights and services. LEP persons are individuals who do not speak English as their primary language and have a limited ability to read, write, speak or understand English. LEP inmates will be able to both participate effectively and also receive effective communication in their language in important services, programs and proceedings; notices of rights and responsibilities; disciplinary actions and proceedings; medical and mental health requests and services; religious, disability and other accommodations and the inmate request system. The DOC does not retaliate against any inmate or member of the public for requesting language assistance and encourages and trains staff to ensure that they are communicating effectively with LEP persons.
