Introduction

The Palm Beach County Sheriff's Office (PBSO) provides assorted benefits to retirees. The Retiree Benefit Highlights Booklet provides a general summary of the benefit options as a convenient reference. If a retiree requires further explanation or needs assistance regarding these benefits, please refer to the customer service phone numbers under each benefit description heading or contact the Benefits Division-Retirement Section.

Online Benefit Enrollment

The Palm Beach County Sheriff's Office provides retirees with an online benefits enrollment platform through Bentek's Employee Benefits Center (EBC). The EBC provides retirees the ability to select or change insurance benefits online during the annual Open Enrollment Period or for Qualifying Events.

Accessible 24 hours a day, throughout the year, retiree may log in and review comprehensive information regarding benefit plans, and view and print an outline of benefit elections for retiree and dependent(s). Retiree also has access to important forms and carrier links, can report qualifying events and review and make changes to Life insurance beneficiary designations.

To Access the Employee Benefits Center:

- ✓ Visit app.mybentek.com/pbso
- ✓ Sign in using a previously created username and password or click "Create an Account" to set up a username and password.
- ✓ If retiree has forgotten username and/or password, click on the link "Forgot Username/Password" and follow the instructions.
- ✓ Once logged on, navigate using the Launchpad to review current enrollment, learn about benefit options, and make any benefit changes or update beneficiary designations.

For technical issues directly related to using the EBC, contact:
support@mybentek.com

Group Insurance Eligibility

Palm Beach County Sheriff's Office group insurance plan year is January 1 through December 31.

Retiree Eligibility

Retirees are eligible to participate in PBSO insurance plans if they meet the PBSO definition of normal retirement. Employees who have elected to retire shall be provided the opportunity to continue participation in PBSO group insurance plans, at the retiree's expense, at the time of retirement. If coverage is declined, it cannot be reinstated. For additional information, please contact the Benefits Division - Retirement Section.

Dependent Eligibility

A dependent is defined as the legal spouse/domestic partner and/or dependent child(ren) of the retiree or spouse/domestic partner. The term "child" includes any of the following:

- A natural child
- A stepchild
- A legally adopted child*
- A newborn child (up to the age of 18 months) of a covered dependent (Florida State Statute)
- A child* for whom legal guardianship (court order) has been awarded to the participant or the participant's spouse/domestic partner

*Retiree must provide a signed court order to the Benefits Division-Retirement Section.

Dependent Age Requirements

Medical & Dental Coverage: A dependent child may be covered through the end of the calendar year in which the child turns age 26. An over-age taxable dependent (OAD) may continue to be covered on the medical and dental plans to the end of the calendar year in which the OAD reaches age 30, if the dependent meets the following requirements:

- Unmarried with no dependents; and
- A Florida resident, or full-time or part-time student; and
- Otherwise uninsured; and
- Not entitled to Medicare benefits under Title XVIII of the Social Security Act, unless the child is disabled.

Disabled Dependents Requirements

Coverage for a dependent child may be continued beyond age 26 if:

- Is physically or mentally disabled and incapable of self-sustaining employment (prior to age 26); and
- Unmarried and primarily dependent upon the retiree for support; and
- Is otherwise eligible for coverage under the group's insurance plans; and
- Has been continuously insured.

Proof of disability will be required upon request. Please contact Benefits Division-Retirement Section if further clarification is needed.

Domestic Partner Coverage

Domestic Partners (DP)* may be eligible to participate in PBSO's group insurance plans if retiree provides a copy of a Certificate of Partnership, issued by the county in which the retiree resides. Retiree may elect coverage for a DP during the initial retirement or Open Enrollment Period. All retirees must complete the yearly affidavit requirement in order to enroll/maintain Domestic Partner coverage and/or DP dependent child(ren) coverage.

*Retiree covering DPs and/or dependent child(ren) of a DP, is required to provide PBSO with copies of the DP and/or dependent child(ren) birth certificates and social security cards.

Medicare Eligible

Once retiree is Medicare eligible, retiree must enroll in Medicare Part A and Part B to continue on the PBSO Medical Plan. To enroll in Medicare Part A and B, contact the Social Security Administration at (800) 772-1213. Retiree should enroll in Medicare Part A and Part B effective the month in which age 65 is reached. If retiree misses the initial application period, the retiree will be assessed penalties by Social Security and the effective date of coverage will be much later. Retiree must provide PBSO Benefits Division-Retirement Section a copy of their Medicare ID card as soon as it is received. This applies to each Medicare eligible participant and their dependents.

Be advised that if retiree or family member is on social security disability, retiree must apply for Medicare. Contact the Social Security Administration at (800) 772-1213 for more information.

Dental Insurance

Cigna Total DPPO Plan

PBSO offers dental insurance through Cigna Healthcare to benefit-eligible retirees. The monthly costs for coverage are listed in the premium table below and a brief summary of benefits is provided on the following page. For more detailed information about the dental plan, please refer to the summary plan document or contact customer service.

Dental Insurance – Cigna Total DPPO Plan Monthly Premiums

Tier of Coverage	Retiree Cost
Retiree Only	\$40.04
Retiree + One	\$83.18
Retiree + Two or More	\$114.46

In-Network Benefits

The Cigna Total DPPO plan provides benefits for services received from in-network and out-of-network providers. It is also an open-access plan which allows for services to be received from any dental provider without having to select a Primary Dental Provider (PDP) or obtain a referral to a specialist. The network of participating dental providers the plan utilizes is the **Total Cigna DPPO network**. These participating dental providers have contractually agreed to accept Cigna's contracted fee or "allowed amount." This fee is the maximum amount a Cigna dental provider can charge a member for a service. The member is responsible for a Calendar Year Deductible (CYD) and then coinsurance based on the plan's charge limitations.

Please Note: Total DPPO dental members have the option to utilize a dentist that participates in either Cigna's Advantage network or DPPO network. However, members that use the Cigna Advantage network will see additional cost savings from the added discount that is allowed for using an Advantage network provider. Members are responsible for verifying whether the treating dentist is an Advantage Dentist or a DPPO Dentist.

Out-of-Network Benefits

Out-of-network benefits are used when member receives services from a non-participating Cigna provider. Cigna reimburses out-of-network services based on what it determines as the Maximum Reimbursable Charge (MRC). The MRC is defined as the most common charge for a particular dental procedure performed in a specific geographic area. If services are received from an out-of-network dentist, the member may be responsible for balance billing. Balance billing is the difference between the Cigna's MRC and the amount charged by the out-of-network dental provider. Balance billing is in addition to any applicable plan deductible or coinsurance responsibility.

Calendar Year Deductible

The Cigna Total DPPO plan deductibles are required to be met before most benefits will begin. Retirees who select a Cigna DPPO Advantage provider will have a \$50 individual or \$150 family in-network deductible. Retirees who select a Cigna DPPO provider will have a \$100 individual or \$300 family in-network deductible. Out-of-network services require a \$100 individual or \$300 family deductible. The deductible is waived for preventive services.

Calendar Year Benefit Maximum

The maximum benefit (coinsurance) the Cigna Total DPPO plan will pay for each covered member is \$1,000 for in-network and out-of-network services combined. All services, including preventive, accumulate towards the benefit maximum. Once the plan's benefit maximum is met, the member will be responsible for future charges until next calendar year.

Mobile App

Mobile app provides on-the-go access to the dental benefit account to view benefits, download ID card, locate providers or view claims.

Florida Retirement System

Florida Retirement System (FRS)

The Florida Retirement System is a state-administered retirement program for employees who are employed in regularly established positions. Retirees are in either the FRS Pension Plan or the FRS Investment Plan.

FRS Pension Plan

The FRS Pension Plan is a traditional, defined-benefit retirement plan. For employees hired prior to July 1, 2011, vesting occurs after six (6) years of service. For employees hired on or after July 1, 2011, vesting occurs after eight (8) years of service.

FRS Investment Plan

The FRS Investment Plan is a defined contribution plan where employees allocate employer and employee contributions to available investments. Vesting occurs after one (1) year of service. The benefit for this plan is based on how much money is contributed to an employee's account and how well that money grows over time when invested. Employees choose from several available payout options when the benefit is taken.

FRS Normal Retirement Criteria

Sworn or Certified (*Special Risk Class*)

Members enrolled in FRS prior to July 1, 2011

- 6 years of creditable service and age 55; or
- 25 years of Special Risk creditable service, regardless of age

Members enrolled on/after July 1, 2011

- 8 years of creditable service and age 55; or
- 25 years of Special Risk creditable service, regardless of age

Civilian (*Regular Class*)

FRS Health Insurance Subsidy (HIS)

The FRS provides a HIS to eligible FRS Retirees equivalent to \$7.50 per year of service for a maximum of \$225 (30 years of service) to help offset the cost of health insurance coverage. Retirees must apply and be approved to receive the HIS benefit. In order for FRS investment plan members to qualify, they must also take a distribution from their FRS investment plan.

Please Note: The HIS benefit is in addition to the FRS Retirement benefit.

FRS Early Retirement Penalty (*Pension Plan Members*)

If an employee takes early retirement, the amount of the retirement pension benefit will be reduced by 5% for each year prior to the normal FRS retirement age. Contact FRS for more information.

FRS Insurance Deduction Program

Employees retiring from the FRS Pension Plan may elect to pay their medical and/or dental premiums via automatic deduction from their monthly pension check.

Participation in this program also qualifies retired public safety officers for a \$3,000 IRS tax exclusion on their federal income tax. See page 14 for more information.

To participate in this program, please contact **Benefits Division - Retirement Section** for further details.
